

WEST END LIGHTS

Friday 4th December 2026, 6pm - 9pm

One night every year, residents of Lincoln's West End brighten up the winter darkness with a display of lights which creates an amazing pop-up winter light festival!

Why not make a light display of your own this year, or simply take a stroll round the West End and enjoy the creativity on display?

Thanks to our sponsors **The Sycamore** and **Anna's Place!**

Both venues will be open for food and drink to eat in or take away, and there will be live music at The Sycamore.

Postcard design by Arlo Garner, St Faith's Infant and Nursery School
